Non Fiction Subjects & Keyword searches

Using the left hand drop down list next to the search bar, you can choose to explore our catalogue by subject. This will allow you to use a keyword or subject if you do not know the exact publication you are looking for. **You cannot search Fiction by subject or keyword at this time.**

As you can see in the example above this text - searching 'Cornwall' as the subject will pull up results with Cornwall in the name and items that have been tagged as relating to Cornwall.

It is worth noting that while searching, you may need to use variations of a word for example: **Cornwall, Cornish, Kernow**. If you cannot find what you are looking for, please contact the Library by phone, email or drop in to see us.

Borrowing

At this time, books are not able to be borrowed using the KOHA system. This catalogue is available so you can browse what we have catalogued so far. It is being added to every week - it doesn't reflect the whole collection yet. If you don't find the title you are looking for, please get in touch to see if we have a copy.

The 'place hold' button on the right hand side of an item's record **will not work** if pressed (See above). To borrow or reserve books from the Library, you will still need to ask at the desk or phone us.

If you wish to view a citation for the record you are viewing, press the Cite button.
